

Can faith and rationality ever go together?
Does rationality play any role in Islam?
Are our lives predetermined by God?
What about free will and individual choices?
Islam and Science: foes or friends?
What does Islam say about the Big Bang?
And about other related stuff that you would
like to know!!

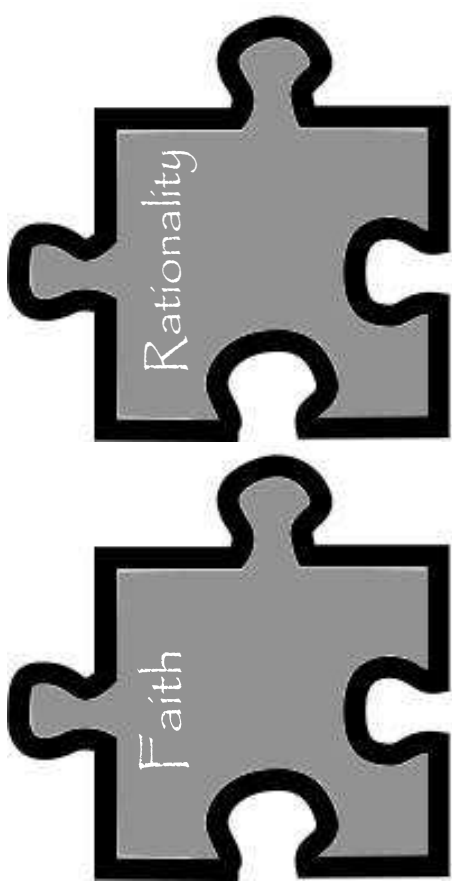

Islam: Blind Faith or Rational Following?

Join us for a lecture event with
Shaikh Safdar Razi, Imam of IABA
Mosque, Austin.

November 9th @ NOA 1.126
Lecture and Q&A : 6:30 to 7:45pm
Followed by refreshments
